

WINE LIST

We are pleased to introduce our Wine List.

As always, we have listened to our customers' feedback, sampled a wide range of wines (this was particularly challenging!) and of course worked closely with our wine suppliers to provide a wine list that pleases every palate, featuring wines from both the Old World and the New world.

So whether you're here on business, for a celebration or just for pleasure, we are confident that you will find a wine to complement the occasion.

We hope you enjoy reading our wine list as much as we enjoyed trying them.

Salute!!
